

Hello students and families,

My name is Ms. Welsh, and I will be your Freshman Seminar teacher this year! I am really looking forward to our time together, and am excited to work together in strengthening the Coyote family.

I received my Bachelors degree in Biological Sciences and my Masters degree in Education both from the University of California, Santa Barbara. I have taught at Santa Barbara High School, Westwood Secondary School (in Singapore), and Chaminade College Prep High School – this is my fourth year as part of the Calabasas Team. I also teach Physiology Honors, Link Crew 1 & 2 and coach a cappella here at CHS.

On my website is a copy of the Freshman Seminar syllabus for the 2017-2018 school year. Please carefully read through it to find information about the course, my expectations of you, and classroom policies/procedures. If you have any questions, do not hesitate to contact me directly via email or phone.

Looking forward to a wonderful year together!

Kirby Welsh
